

Viking Board meeting

5/26/13 4:55 pm @ Port Orchard Memorial Day cruise

In attendance: Dave Seis, Bill & Barb Byrn, Carolyn and Tracy Anspach, Robert & Carla Bushnell, Rich & Rita Carino

Commodore Dave: Open the meeting by asking about the Christmas Auction. Carla still liked the ideal and wondered is there a price per person. We were reminded that the club voted to pursue a family friendly holiday event. The Board voted to keep the deposit on Totem and plan a smaller scale event. Ideas include White Elephant exchange, photos with Santa, Games, and Potluck.

Purser Barb's report: Ck'g Acct balance \$3370.07, Savings Acct 316.63, Money Market 36,712.89. The money made so far for the Memorial Day cruise was: Poker night \$170, Bingo \$47.00 and Dinner \$240.00. Barb indicated that the club would probably require the extra \$2000 allotment from Saving for next year since we're giving the 2 tickets per member (if multi-year member) for the Commodore Ball.

The board had discussion on continuing the practice of including a Commodore Ball ticket in the Dues cost. It was decided that this benefit does inspire members to come to the Ball. Other propositions were discussed such as raising the cost of dues. Carolyn volunteered to do a cost analysis.

Rear Commodore Robert: Brought the basket for the NBC picnic. Also mention that he needed names for the purchase of tickets to the Mariner's game during the Hot August nights cruise.

New Business: Rita C felt that it was unfair to offer tickets for the Baseball game. The Boards response was that members who attended cruises reaped the reward of the cruises. This was another example of that.
