Write Ins: Penrose – Jarrels Cove – Port Ludlow – Oro Bay anchor out

“Circle or Comment you choice”

What should the club do with the money we have in savings?

- a) **3 Votes:** Withdraw interest only
- b) **12 Votes:** Continue option to supplement budget w/2000 annually
- c) **6 Votes:** Save for future purchase of an asset (TBD)
- d) **0 Votes:** Or do nothing
- e) Other: **See Comments on additional page**

Due to high fuel costs and most cruises being on a weekend, cruises need to be about 4 hours or less, away from Tacoma. Comments / Suggestions / Recommendations:

- *Let's have a cruise to the islands if you want to go.*
- *Canada – Princess Louise 7+ days*
- *When fuel prices drop go farther than 4 hours*
- *Costs are a factor for everyone. Longer cruises that are further away would be good or a progressive cruise that people can join for all or part. Not every cruise needs to be an organized event.*
- *Oro Bay*

- *Yes close to home, however it would be nice to have more organization for a north cruise in the summer months.*

Club Money Comments:

- *Consider using a) need arises or b) special event. We should still be a self-supporting club.*
- *Dock hut*
- *Mooring ball*
- *Play it by ear to see what may come up.*
- *For God sakes let's spend the money and have fun, at least one cruise each year.*
- *Spend more on members.*
- *We need to save for the future.*
- *Use to organize some fun for cruising events.*
- *Spend the money on the club and if we have fund raisers, they can participate if they want.*
